

SMS FLATSCREEN FH MT1 150/1450/2000

The safest thing on four wheels?

SMS Flatscreen FH MT gives your larger screens mobility and holds up to two screens at the same time – an easy way to get the most out of both your room and screen. The FH MT is a durable and reliable bracket as well as an attractive addition to any room. Annoying cables are hidden inside the bracket. Practical shelving can also be added to perfectly complement your screen.

New!

The adapterplate has a new design, which is easier and more user friendly. There is also a new design on the pillar which allows you to, stepless, raise and lower you screen and shelves.

The new SMS Flatscreen H2 Unislide is included in the bracket.
